## ENORMOUS LOSS FROM FLOOD

REVISED ESTIMATE OF LIFE AND  
PROPERTY LOSS IN INDIANA  
AND OHIO.

Estimates are that 70,000 persons were marooned in Dayton's flooded districts, where 15,000 homes have been submerged. Rescue stations are providing for 5,000 homeless. The property damage in the city is figured at \$25,000,000.

Alarming reports were frequent during yesterday, but in most cases these were quickly contradicted. Rumors that the Grand Reservoir, near St. Marys, Ohio, had broken proved unfounded. Similar reports about the Lewiston Reservoir likewise were found to be untrue. Threatened breaks in both were repaired, and reports to Gov. Cox at Columbus last night indicated that the danger from this source was past.

Latest reports from Zanesville are that 150 lives are believed to have been lost there. About 1,500 are homeless. A score of buildings collapsed. Fire broke out at one point, but it was not believed it would spread.

Indianapolis, Ind., March 27.—Tonight's revised list of results of wind storms and floods in Indiana:

Indianapolis—Eleven known dead, 200 missing, property loss, including bridges, \$25,000,000.

Terre Haute—Twenty dead, 250 injured; three missing; property loss \$3,000,000.

Peru—Eleven known dead, forty or fifty missing; may have been drowned; property loss \$3,000,000.

Fort Wayne—Seven dead; no estimate of property loss.

Howesville—Sixteen dead.

Frankfort—Two dead.

Brookville—Sixteen dead, half of town wiped out; property loss \$500,000.

Muncie—One dead, estimated property loss \$750,000.

Anderson—Property loss \$2,000,000.

Logansport—One dead; property loss \$100,000.

Nobleville—Property loss \$150,000.

Elwood—Property loss \$50,000.

Brazil—Property loss \$100,000.

Kokomo—Property loss \$1,000,000.

Rushville—Three dead; property loss \$500,000.

Lafayette—Three dead; property loss \$500,000.

Richmond—Property loss \$1,000,000.

Marion—Property loss 100,000.

**\$30,000,000 Outside Capital.**

Estimated property loss in the state of Indiana, outside of Indianapolis, from wind and flood since last Friday morning, \$30,000,000.

Today's rise of the White and Wabash Rivers made certain that the present flood in Indiana will eclipse all past floods. At 6 o'clock tonight White River passed the 27-foot mark at Hazelton, Ind.; the Wabash River at Cincinnati at the same hour registered 23.8 feet.

The levees on White River near Decatur, Ind., broke this afternoon, and over 50,000 acres of land, mostly in wheat was inundated. Three levees along the Wabash River near Vincennes, Ind., also broke, covering 150,000 acres. It is estimated that the loss entailed by the breaking of these levees will be over \$500,000. So far no loss of life has been reported.

With the breaking of the Plass and Spangler levees today, every levee along White and Wabash rivers in Knox county was overcome by the flood. Many farmers on account of the suddenness with which the rivers broke their banks, were forced to leave their live stock to perish. Half the homes in Hazelton, Ind., are deserted, and it is feared the Chicago and Eastern Illinois Railroad embankment between Hazelton and Dexter will break tonight. This embankment is serving the purpose of an immense dam in White River. A corps of railroad officials and a small army of men are making a tremendous effort to save the huge fill. It is admitted by the railroad company that there is but a slight chance of saving the embankment.

## P. A. NORRIS LETS CONTRACT FOR MANSION

WORK WILL BEGIN AT ONCE ON  
RESIDENCE THAT WILL COST  
ABOUT \$25,000.

Thursday afternoon W. M. Cooper of Ada was awarded the contract for the erection of P. A. Norris's mansion on the hill at the end of 9th street at the edge of the city. Work will begin Monday and pushed with all possible dispatch.

The new house will be the finest residence in Pontotoc county and will involve an expenditure of something like \$25,000. There will be about twenty rooms in the house, which will be constructed of Ada brick and trimmed with stone. The site is one of the most beautiful to be found anywhere, "Goose Hill" as Mr. Norris has named the place is probably the highest elevation about Ada. It commands a fine view of the city and also of the beautiful valley to the south, and the house will be visible for a long distance.

## TO CHECK BUILDING OF BATTLESHIPS

London, March 28.—A naval holiday for a year as far as new construction is concerned was the offer made to the world yesterday by Winston Spencer Churchill first lord of the British admiralty, when he submitted the British naval estimates to the house of commons. In this way he says, the world would obtain an almost instant automatic mitigating of the thralldom involved by the evil and insensate folly of the present acute rivalry in armaments. Scores of millions, he declared, were being squandered year after year without making any real difference in the relative naval strength of the nations.

His proposal, he argued, would involve no alterations in the relative strength of the world's navy, and added:

"We address this proposal to all nations and to no nation with more profound sincerity than to our great neighbor over the North sea."

Mrs. J. E. Jones left this afternoon on a visit to relatives at Oklahoma City.

With another Democrat from Illinois, the U. S. senate now contains fifty-one of that party, or a clear majority of six. A trifle slender the majority is, but it should be sufficient. Illinois was the last state to elect, the legislature having been deadlocked for weeks, and it may be that before election time comes around in any other state, the amendment providing for a direct vote of the people may be in full force and effect. That will end deadlocks of the kind for all time to come.

## Reputation for Fair Dealing Worth a Fortune.

Henry Ward Beecher once said, "A reputation for fair dealing is itself a fortune."

The merchant who is in business to stay knows that fair dealing and absolutely truthful advertising is the only way to get customers and keep them. These are the essentials of success. They are the principles by which reliable merchants who advertise in the NEWS do business.

You can rely upon the advertisements which appear in this paper every evening. The merchants who pay for these announcements cannot afford to risk their reputations. They know it pays them to advertise only so long as they continue to give their customers superior merchandise at honest prices and provide efficient store service.

Read the advertisements in the NEWS closely and constantly every day for the latest news for merchandising at honest prices from Ada's most reliable mercantile establishments.

## BIG DEBATE AT NORMAL

Ada Team Will Debate Durant This Evening--Also Reading Contest.

Tonight at the Normal Auditorium East Central will meet Southeastern Normal of Durant in debating and reading contests. This is one of a series of triangular debates held by Northeastern, Southeastern and East Central. The winners in this event meet the winners of the triangle composed of Northwestern, Central and Southwestern in a contest for the state championship at a date to be set sometime in April.

The state championship in debate was won last year by Northeastern and the reading by Northwestern. East Central won both reading contests in this triangle but lost both debates. This year the normal is resolved to win the majority of the events.

The question is. Resolved, That no Tolls Should Be Levied Upon United States Vessels Passing Through the Panama Canal. Durant has the affirmative and will be represented by Messrs. Thomason and W. N. Chitwood. East Central will deny and will be represented by Messrs. Max Brexton and Boone Jones.

Miss Gertrude Nelson will represent Durant in reading and East Central will be defended by Miss Margaret Wimblish. Music will be furnished by the girls' quartet and the orchestra. Come out, and help East Central do a plenty to the features our mutual friends from Southeastern.

## To The Young Expectant Mother

Women of Experience Advise the Use of Mother's Friend.

There is a certain degree of trepidation in the minds of most women in regard to the subject of motherhood. The longing to

possess is often contradicted by the inherent fear of a period of distress. But there need be no such dread in view of the fact that we have a most noble remedy in what is known as Mother's Friend. This is an external application that has a wonderful influence and control over the muscular tissues of the abdomen. By its daily use the muscles, cords, tendons and ligaments all gently expand without the slightest strain; there is no pain, no nausea, no nervousness; what was dreaded as a severe physical ordeal becomes a calm, serene, joyful anticipation that has its impress such as our foremost teachers of Eugenics are striving to drill into the minds of the present generation. In almost every community there are women who have used Mother's Friend, and they are the ones that recovered quickly, conserved their health and strength to thus preside over families destined by every rule of physiology and the history of successful men and women to repeat the story of greater achievement. Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., 138 Lamar Bldg., Atlanta, Ga. Write them for their instructive book to expectant mothers. You will find Mother's Friend on sale by all drug stores at \$1.00 a bottle.

## BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under 65 years of age, and there is no excuse for any one, young or old, having thin, scraggly hair, either full of dandruff or heavy and rank smelling with excessive oil.

You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.

If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in appearance of your hair after a few days' treatment. Agents, Gwin & Mays Drug Co., Ada, Okla.--adv.

## BELIEVED THAT TEXAS FRUIT IS KILLED

Dallas, Tex., March 23.--Early reports received yesterday by Industrial Commissioner T. L. Peeler of the Katy indicate that the freeze of Wednesday night did immense damage to the fruit crop of the state, probably entirely destroying it in some localities. Other crops are not believed to have been damaged to any great extent.

"While it is still too early to make an accurate estimate on the loss to the fruit crop by this last freeze, it seems probable that it will amount to about 75 per cent," said Mr. Peeler yesterday. "It also looks like the damage to all other crops would amount to but very little."

"In a telegram I received this morning from Wimsboro the writer said that the fruit around there looked like it was killed, but that a little might yet be saved. There was practically the same report from Whitesboro."

"Our correspondent at Sulphur Springs says that the fruit is badly damaged, but that it is impossible to estimate to what extent, and word received from Pittsburg is to the effect that while the crop is damaged, it is not all killed. "To say the least the prospect is discouraging from the early reports. Of course, many fruit raisers built smudges and burned logs and thus staved off the bitter cold from reaching the blossoms, and the high wind helped mightily in many sections, but, coming this late a freeze was bound to do considerable harm."

Other railroads have also sent out telegrams, asking in regard to possible damages, but no response had been received by them at a late hour last night. The only encouraging feature is that most of the trees were heavily laden and that 25 per cent of the crop would still amount to a good big item in dollars and cents.

## ANOTHER PIONEER TEXAN CLAIMED BY DEATH

Today Capt. W. H. Fisher received intelligence of the sudden death of his brother, Judge J. L. Fisher at Santa Anna, Texas. Deceased was 73 years of age. He was raised at Dallas, and later moved west. He lived at Albany, Tex., a number of years and served two terms as county judge of Shackelford county. He was a Confederate soldier and served with honor throughout the long and bitter struggle between the states.

An adjustment of the city light and water plant fire damage was effected the last of the week, the city to receive \$2691.94 in settlement of the damage to the plant. Work was begun immediately to get the plant in running order. Plans are being made to erect a brick building in place of the one destroyed by fire, and the new machinery will be installed as rapidly as possible. The water situation will be relieved immediately but it will be quite a little time before the city furnishes any light.--Roff Eagle

## Economical Ironing

To iron economically you must  
not waste heat.

Ironing with ordinary flat irons  
is very wasteful of heat; most  
of the heat goes up the kitchen  
chimney; a lot of it is wasted  
in charring the ironing pad  
and in scorching the clothes.

Ironing with a

### Hot Point Electric Flat Iron

is quite different—all the heat  
is in the iron ready to go into  
the pieces ironed instead of go-  
ing into the room or up the  
kitchen chimney. None of it  
is wasted.

To use only the amount of heat  
actually needed for ironing, be  
it either heavy damp pieces or  
laces, embroidery or other light  
goods is real economy.

That's why Hot Point Irons are  
used in thousands of homes  
throughout our country.

Banker Released From Prison.  
Pittsburg, Pa., March 28.—William  
Montgomery, former banker and prom-  
inent clubman of Pittsburg, was re-  
leased today from the Western peni-  
tentiary where he had served about  
four and one-half years of a fifteen-  
year sentence imposed upon him for  
misappropriating the funds of the Al-

which he was cashier. The bank failed  
in 1908 with a shortage of a million  
dollars. All losses have been repaid,  
and President Taft, as one of the last  
official acts, commuted Montgomery's  
fifteen-year sentence on the ground  
that it was out of proportion to that  
imposed in similar cases.

This morning T. D. Bingham, M. S.  
Collins of Vanoss and Hunter Davis  
of Dolberg returned from the Wood-  
men convention at Hobart. The re-  
mainder of the party must have been  
left at Oklahoma City.

## W. C. JONES VISITS OKLAHOMA LEGISLATURE

Hello Ada! I have just returned  
from the Oklahoma legislature and I  
think of all the counties in the state  
of Oklahoma that Pontotoc county has  
more to be proud of than any county  
in the state when we look at it from  
the point of sending good men to re-  
present us in making our laws. Speak-  
ing in direct reference to the senator  
from this district I think that there  
is not a more energetic man and one  
who is more wide awake and watch-  
ing every move that is made than our  
senator.

Yes, and by the way, there is Judge  
Furman formerly of Ada who now is  
serving the people of this state, whom  
we should justly be proud of.

I met several men while in Okla-  
homa City that said we people in this  
part of the state of Oklahoma should  
be proud that we have such men as  
R. M. Roddie, Judge Furman and J.  
P. Crawford. As I was looking over  
the city I met again with Bro. S. O.  
Daws, the ex-president of the Farm-  
ers' Union, in fact, the only one I  
ever had in the state of Oklahoma.  
Bro. Daws is one of those men whose  
life has been spent in the interest of  
the farmer.

I find him just as enthusiastic now  
as he ever was in the interest of the  
farmer. I am certainly proud of the  
fact that there is yet men in the world  
like old Bro. Daws who is always  
ready to champion the cause of the  
farmer. I wish to say to the farmers  
of this part of the country that we  
could have no greater men than there  
I have been speaking of as our lead-  
ers and representatives.

W. C. JONES.

## ESTIMATE OF DAMAGE TO FRUIT CROP

C. W. Zorn, the nurseryman, states  
that it is his opinion that the cold  
weather about finished the early var-  
ieties of plums in this section. He  
thinks the later varieties will prob-  
ably make something. Of the peach  
crop he thinks perhaps fifty or sixty  
per cent was killed.

W. K. Chaney left this afternoon  
for Shawnee on a short business trip  
in connection with his new residence  
which will soon be under construction  
on the elevation in the south suburbs  
of the city.

The party who borrowed my shot-  
gun will please return same to the  
office at once and save me the trou-  
ble of having to send after it. Reu-  
ben M. Roddie. 301-3t

## LEGISLATURE GRINDING OUT NUMEROUS BILLS

Oklahoma City, March 28.—Governor  
Crane's recommendation that a law be  
enacted under which only owners of  
real estate could vote at bond elec-  
tions met an unfavorable reception  
in the house of representatives Thurs-  
day.

A bill by Representatives Tener,  
Pruett, Christian and Senators Pugh  
and Franklin, incorporating the idea,  
was killed in committee of the whole,  
after a long and uninteresting debate.  
The chief argument against the bill  
was that it would deprive the poor  
man of his right to a voice in such  
matters.

The house passed the "official  
graft" bill by Wright of Oklahoma,  
which proposes penalties of \$100 fine  
and 90 days imprisonment for offi-  
cials "grafting" less than \$20; and \$5-  
000 fine or ten years in the peni-  
tentiary for "grafts" of amounts large-  
r than \$20. The bill comes within the  
purview of the governor's message,  
said its author, since it aims to re-  
rect some of the evils disclosed by  
the legislative investigations and to  
provide adequate statutory grounds  
for punishing "grafting" officials.

A bill by Harvison and Brooks, to  
put the state insurance commissioner  
under a \$50,000 bond also was passed.

An appropriation of \$50,000 for the  
perdiem and expenses of the special  
session finally got through, the emerg-  
ency being added Thursday.

The house also passed a bill by Rep-  
resentative Cook and Senators Mc-  
Intosh and Memminger, providing a  
penalty for officials who divert or  
misappropriate funds of counties,  
school districts and other municipal-  
ities.

The house passed without dissent-  
ing voice the senate resolution ex-  
tending sympathy to the states strick-  
en by storm and flood, and Represen-  
tative Brown introduced a concurrent  
resolution to appropriate \$5,000 for  
assistance to the states of Ohio and  
Indiana.

After spending more than an hour  
in heated discussion of the subject,  
the senate Thursday afternoon defer-

come only after a hard fight between  
the opposing factions.

## THE NEWS REPORTER VISITS GOTEBO AND HOBART

The News reporter spent Sunday visiting relatives in Gotebo, going to Hobart Monday. Gotebo is a typical Oklahoma town of its size. Although not very large, it has many well built houses and its people impress one as being of the best class of Oklahoma citizenship. The short crops of the past two or three years has given the country something of a setback, but with its rich prairie lands, it will come again. Gas has been found near Gotebo in sufficient quantities to be used for heating and lighting purposes, and some oil has been found at a depth of a few hundred feet in quantities sufficient to make it profitable to pump and ship it. Some deep

## TOPEKA WILL PLAY THE ADA ELKS

LEAGUE TEAM WILL CROSS BATS WITH LOCALS—EXCITING GAME PROMISED.

Baseball season will open in Ada next Tuesday, April 1st when Dale Gear and thirty-five or forty ball tossers of the Topeka, Kansas, team will arrive to cross bats with the fast local Elks team. This is a rare treat for the base ball fans of Ada, as Topeka is in the Western Association and not often do we have a chance to see real leaguers play ball. As this is opening day we want every one to come out to the game. In order for Dale Gear and his warriors to leave that afternoon for Oklahoma City we must call this game at 1:30 p. m., so leave your business for two hours and come out and see a fast and interesting ball game.

The Elks are still hard at work trying to elect a strong team for this summer. There are fifteen or twenty men showing up fine, but as the season is now ready to open the following team has been selected for opening day. Johnny Stewart is out of town and Johnny Kiser will take his place.

Following line-up will go against Topeka Tuesday with the intention of defeating the leaguers: C. Kiser, G. Sweet, catcher; Alderson, Hall, Donaghey, pitcher; Haney, 1st base; Kiser, 2nd base; Taylor, 3rd base; Dougherty, short stop; West, left field; Simpson, center field; Chauncey, right field.

These are the best players at present, but this does not mean they will always represent the Elks ball team. We want all ball players to continue to come out and play and when you show well enough form over these players you will be given the position. We are always open and glad to receive good players, so if you are one and wish to play come out and make this team.

Practice every afternoon at 3 o'clock on Compress grounds. B. P. O. E.

## THE WOODMEN CONVENTION

ACCOUNT OF HOBART MEETING BY AN EYE WITNESS—ADA FARES WELL.

No person attending the head camp, W. O. W. at Hobart is likely to forget the occasion soon. Not only was it a very pleasant affair, but there was enough stirring about, electioneering and discussion of various candidates and topics to keep up a lively interest among the delegates.

The first session of the Woodmen and also of the Circle was held Tuesday morning in the fine \$50,000 city hall, which is nearing completion, at which time the usual addresses were made. In the afternoon the Circle met at the elegant quarters of the Elks, while the Woodmen met at the opera house. Head Consul W. M. Franklin appointed the committees, and after hearing a report of the credentials committee, the camp adjourned until Wednesday morning.

Tuesday evening a number of drill teams of the Circle from various parts of the state held a competitive drill in the city hall. Oklahoma City won first honors and Ardmore second, the other camps following these.

Wednesday morning a heavy snowstorm was blowing, and some of the boys who thought spring had come and had left their overcoats at home, found how badly off they had been in their judgment. Very little was done by the Woodmen until the afternoon session when the report of the resolutions committee was read. A resolution receiving the O. K. of the committee, declaring any state manager or deputy working under the appointment of the sovereign commander ineligible for election as head consul or delegate to the sovereign camp, started a fight and it was at white heat when the hour set for the election of officers arrived.

Judge Swank of Norman, county judge of Cleveland county, defeated R. D. Forgan of Oklahoma City for head consul by a margin of fifty votes. For head adviser, H. P. Hargis of Lindsey, son of Capt. S. H. Hargis, was an easy winner over several strong opponents. The Ada delegation was particularly interested in the election of J. W. Barron, clerk of the Ada camp, as head banker. He had the solid support of the Pontotoc county delegates, and as he had made a most favorable impression on the entire membership of the head camp and as his friends had made a vigorous campaign for him, he was elected by a majority of 200. His nomination was seconded by Judge R. L. Williams. Other officers elected were as follows:

A. M. Merrill of Hugo, clerk; B. R. Brisco, escort; J. A. Sterling, sentry; J. W. Tackett, watchman.

The managers are: W. A. Wilcoxen of Purcell, E. D. Phillips of Altus, J. S. Johnson of Antlers, Scott Shannon of Durant, and E. F. Rhea of Holdenville.

The delegates elected to the next sovereign convention are Scott Powell of Caddo, E. D. Shield of Blair, D. A. Fowler of Duncan, Ed Sandal of Ardmore, and J. W. Mansell of Hobart.

In the Circle Mrs. Barron was the unanimous choice for grand clerk. Mrs. E. T. Wetherington was one of the managers during the preceding term and was one of the judges in the drill team contest. The other officers were elected as follows:

Guardian, Nora M. DeBolt, Oklahoma City; adviser, Callie Smith, Ardmore; banker, Addie Berry, Norman; chaplain, Addie Braly, Muskogee; attendant, Lizzie West, Chickasha; inner sentinel, Alice Walker, Spiro; first manager, Mrs. DeWese, Hugo; second, Minnie Thomas, Holdenville; third, Mrs. Edna Williams, Madill; supreme delegates, Mrs. Mollie Swannock, Dewey; Maggie Bradshaw, Mangum; Elsie Haun, Shawnee; alternates Cora B. Howe, Duncan; Mrs. Mackey, Wetumka; I. V. Weakly, Comanche.

In addition to the above elective honors, Byron Norrell of Ada, was appointed by the head consul as a member of the resolutions committee, and Prof. W. O. Pratt of Lula, held a place on the log rolling committee. From this it will be seen that Pontotoc county people got everything they were entitled to expect.

Thursday morning the camp selected McAlester as the next place of meeting. Chickasha and Claremore were also placed in nomination, but it was felt that McAlester was nearer the center of membership.

At this session the entire report of the resolution committee was adopted. The newly elected officers were installed and the great meeting adjourned.

Head Consul W. M. Franklin of Madill had a most arduous task in maintaining order when the feeling ran high, but as a presiding officer he was a most eminent success, showing no favoritism between opposing factions and ruling with a steady hand. Few

men could have equalled him in this respect.

Although there was a wide divergence of opinion on many questions, every one showed the true fraternal spirit by accepting in good faith the decisions of the camp, and at the close of the meeting the best of feeling prevailed.
